# 31st International Panhard Meeting

Novara, Italy, 26-29 May 2023

Club Italiano Panhard and Autoamatori Club Novara are pleased to invite you to the 31st International Panhard & Levassor Gathering.

We offer a weekend of relaxation and short excursions between the lake and the city, cultural visits and tastings of local food and wine, all on board our beloved cars. After the wonderful experience of 2016, it will still be possible to admire some of the most beautiful and rare Panhard cars built between the early 1900s and the 1960s.

We look forward to seeing you with friends, family and historic car enthusiasts.
